SAN MARCOS VS WAGNER - SENIOR NIGHT

STRONG ALONE. UNBREAKABLE TOGETHER.

HAIL TO DEAR OLD S.M. HIGH SCHOOL,
HIGH UPON A HILL,

WE HAVE NEVER LOST OUR SPIRIT,
AND WE NEVER WILL.

HAIL TO RATTLERS, DEAR OLD RATTLERS,
LOYAL ALWAYS BE.

HAIL TO THEE OUR ALMA MATTER,
OUR HEARTS BELONG TO THEE.

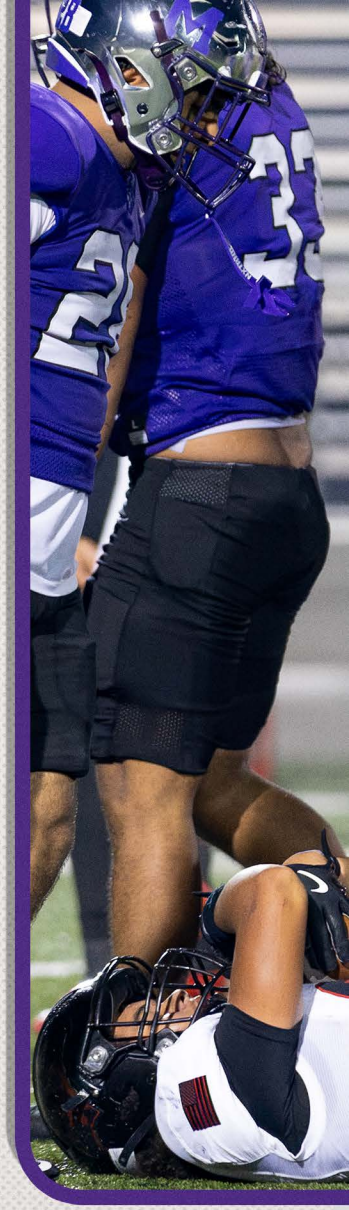
FINAL SCORE

33

28

33



The San Marcos Rattlers gave their home crowd plenty to cheer about Friday night, October 30, delivering their highest-scoring performance of the season in a hard-fought District 27-6A matchup against the Wagner Thunderbirds at Toyota Rattler Stadium.

The Rattlers put 28 points on the scoreboard and battled throughout the contest, but Wagner ultimately secured a narrow 33-28 victory in San Marcos' final home game of the 2026 season.

Friday's matchup brought together two teams looking to earn their first district victory of the year. Both entered the contest having faced challenging schedules against some of the San Antonio area's strongest Class 6A programs.

For San Marcos, the evening marked another step forward offensively.

After scoring 27 points against Judson the previous week, the Rattlers followed with an even stronger showing against Wagner. Their 28-point performance surpassed their previous season high of 27, established in games against Hays and Judson.

The Rattlers' offensive production kept the contest competitive and provided an exciting evening for the San Marcos faithful. With five points ultimately separating the teams, Friday's game was one of the closest matchups of the Rattlers' season.

Wagner, however, was able to generate enough offense to secure the victory. The Thunderbirds entered the contest with a rushing attack that had been a major part of their offensive identity throughout the season, and their 33-point performance proved just enough to hold off San Marcos.

The final score marked the Rattlers' third loss by eight points or fewer this season. San Marcos opened the year with a 29-27 loss to Hays and later came within two points of New Braunfels Canyon in a 16-14 district contest.

Despite the disappointing result, Friday's performance highlighted the offensive progress San Marcos has made as the season has continued. After struggling to find the end zone in several earlier district matchups, the Rattlers have now scored a combined 55 points over their last two games.

The victory improved Wagner to 2-6 overall and 1-5 in district competition, while San Marcos moved to 0-9 overall and 0-6 in District 27-6A.

Friday also marked the final opportunity for the Rattlers' senior players to compete on their home field during the 2026 season. Throughout a demanding schedule, the senior class has continued representing San Marcos High School while helping guide its younger teammates through the challenges of varsity competition.

With one game remaining, the Rattlers will look to carry their recent offensive momentum into the regular-season finale.

San Marcos travels to face East Central on Friday, November 6, in its final District 27-6A matchup of the year.

As the Rattlers prepare for their final game, they will look to build on the offensive production of the past two weeks and finish the 2026 season with a strong performance.
